

B-Twist™ Wire Connectors

- *Rounded “dial-top” provides fast fingertip starts*
- *Square-wire spring provides quick, secure connections*
- *Longer, more comfortable swept-wing design*
- *Deep skirt helps protect over-stripped wires*
- *Spring design easily accepts large wire combinations*
- *Wide red/yellow wire range*

Min. 2 #18

Max. 2 #8

*Handles the entire range of a **red** and **yellow** connector*

The All-in-One Connector

B-Twist combines all the features and performance of red and yellow wire connectors in one unique design. The rounded “dial-top” provides fast, fingertip starts. Long swept-wings improve comfort and torque, especially on large wire combinations. The deep-skirt and low-profile fits easily into electrical boxes. B-Twist provides a great combination of performance and value.

Low-profile swept-wing design improves box fill
