# TWISTER® PROFLEX

## WIRE CONNECTORS

**Widest wire  
combination range**

**High voltage rating:  
1000V**

Twister® ProFLEX is rated for 1000 volts, and offers the added protection of a flexible skirt. It delivers the widest wire combination range in its class, and is ergonomically designed for ease of use. Everyday performance professional electricians can trust.

### Features and Benefits

- Rated for 1000V, both AC and DC
- Flexible skirt provides improved protection and adapts to tightly fit electrical boxes with limited space
- Swept wing design with SureGrip™ overmold offers maximum comfort, leverage, and torque for faster connections
- Expanding square-cut spring and polypropylene shell deliver a secure connection every time
- Tough, UL 94V-2 flame-retardant shell
