

CAT6 Keystone 8P8C Modular Data Jack

Keystone sized modular jacks for faceplate or data rack installations. Available in multiple colors for system coding. Designed for 1 Gigabit data installations including Ethernet operating at 250MHz (CAT6 specifications).

- 90° 110 IDC tower punchdown design for use with a standard punchdown tool
 - Circuit board construction reduces crosstalk and provides consistent performance
 - 50µ gold plated jack contacts to minimize pin wear
 - IDC towers feature angled tips to separate wires faster
 - 568A and 568B wiring legend marked on sides of block for easier slot identification
 - 9 colors are available, dust cap included
 - Fits most cables with 23 or 24 AWG solid/stranded conductors
 - Recommended IDEAL punchdown tool: 35-485
- 1 connector per package:

Part No.	Color
89-760WH	White
89-760BU	Blue
89-760OR	Orange
89-760BK	Black
89-760RD	Red
89-760GN	Green
89-760YL	Yellow
89-760IV	Ivory
89-760GY	Grey

Also available:

CAT5e Modular Jacks

Keystone Faceplates

35-485

Angled IDC towers

50µ gold plated contacts

Pairs stay together
