

## 3GHz 75Ω Female-Female F Adapter

Universal F-81 adapter for combining 2 F-Type cables together to form a longer cable. Compatible with all types RG-59, RG-6, RG-11 cables. Compatible with all IDEAL F connectors.

- Machined threads for smooth connector mating
- Nickel plated brass construction
- Barrel contact design minimizes dB loss
- 3GHZ, 75Ω rated for use in all video based applications such as cable and satellite television
- Mates perfectly with IDEAL F compression connectors
- 7/16" hex center for wall plate swaps
- Female – Female design for attaching 2 male F connectors
- Designed to work with all common RG-59, RG-6, and RG-11 cables terminated with industry standard F connectors
- No tools or cable preparation required, just twist F cable on each end until fully seated to connect.
- Supplied as connector only, no ring or washer
