

3X

Faster
than competition!

Power-Spade™ Spade Bits

- *The most innovative and fastest spade bit ever*
- *Smooth and effortless drilling*

The Power-Spade™ Spade Bit offers the industry's leading performance over any other spade bit available today. Designed to meet the needs of the professional electrician's needs in terms of speed, ease of use and hole quality. The full-cone threaded tip provides the speed needed to drill faster. Less effort is required to pull bit through material for the Power-Spade™. Available in a variety of sizes, these innovative Spade Bits offer less vibration than other bits.

Power-Spade™ Spade Bits

Full Cone Threaded Tip Fast and Effortless Drilling

- 3x faster than the competition
- Self-feeding action
- Smoother drilling

**Hex Shank Power Groove
Reduces Slippage**

Contoured Paddle Fast Chip Removal

- Quickly removes material from hole
- Creates aggressive cutting blade angles for faster drilling

**Spur & Reamer
For Cleaner Holes**
