

Lil' Ripper Stripper™

- Rips outer jacket cleanly and quickly.
- Clips outer sheathing to remove excess jacket.
- Strips inner conduit wires.
- Looping holes loop wire for screw-on connections.
- Twist-Assist™ tightens most popular sizes of winged twist-on wire connectors.
- Injection molded elastomer grip provides a comfortable, slip resistant grip.
- Strip length measuring scale allows for quick and easy measurements.
- Conveniently fits in your pocket.

Lil' Ripper Stripper™

The Lil' Ripper Stripper™ may be little in size, but it's big on function. With three separate stainless steel blades, you can rip, clip and strip with clean, quick motions. The textured handle provides a comfortable, slip-resistant grip that maintains its integrity against perspiration, water, oil and chemicals. Use the specially designed Twist-Assist™ end to tighten most winged twist-on wire connectors, and integral looping holes assist for easy screw on connections.

Part No.	Description
45-025	Lil' Ripper Stripper™
